PROJECT OVREVIEW

McCarthy Vaughn Partnership (MVP) is committed to fostering a culture of inclusion, economic growth, and opportunity by championing supplier diversity and workforce development. For the New Pediatric Campus project, we are dedicated to engaging Historically Underutilized Businesses (HUBs) and Minority- and Women-Owned Business Enterprises (MWBEs), ensuring equitable participation, and driving sustainable outcomes for local communities. Our approach aligns with the mission of Pediatric Health Management System (PHMS) to create a state-of-the-art healthcare facility while prioritizing impactful community engagement.

About the Project

- Pediatric Hospital and D&T 1,978,586 SF including 552 pediatric Beds
- Development of 33 acres site
- Outpatient Building 265,439 SF including 96 exam rooms
- Underground Garage 1,035,728 SF
- Faculty and Clinical Support Building 213,389 SF
- Thermal Energy Plant 108,203 SF
- Staff Garage 1,343,561 SF Underground Parking 1,035,728 SF including 2,105 parking stalls
- Forest Park Garage 1,343,561 SF including 3506 parking stalls
- Two Tunnels under Forest Park for utilities and material management 23,104 SF
- **Bridge Connectors** From Main Building to UTSW Clements Hospital and from Staff Garage to Hospital 11,383 SF

Opportunity Forecast

This opportunity forecast is designed to support proactive communication with our trade partners, community-based organizations, and contractor associations. While the dates listed on the next page are projections and may shift, they offer an early view to help with planning and engagement. Official outreach notices will be distributed approximately three weeks prior to each event to confirm details and next steps.
